

Mars is in House 8

- The House belongs to Saturn & Mars and they jointly influence the properties of this House. No planet is good here. In fact, this placement is a dangerous one.
- The placement has adverse effects on the younger brothers of the native.
- The native will have a 4-8 year age gap with their brother.
- If they make a commitment, they will go to any lengths to fulfill it. Then, they don't care about profit and loss in it.
- These individuals focus most on completely useless tasks. They think they are solving all of their problems but are only adding to it.
- Will face health troubles related to private parts, eyes and stomach.
- Shouldn't drive at all during its dasha period as it can cause serious accidents wounding the native.
- Not all, but a few natives with this placement will find themselves spending all their energy in learning occult related studies.
- Their partner can cheat them.

Remedies

- Take blessings from widows.
- Wear a silver chain.
- Offer sweet flatbreads (rotis) prepared on tandoor or cast iron pan and offer it to dogs for 43 consecutive days. Use jaggery and not sugar to sweeten the flatbreads.
- They should eat their meals in their kitchen.
- Build a small dark room at the end of the house & do not allow sunlight to enter that room.
- Offer rice, jaggery and chickpea gram at religious places of worship.
- Fill an earthen pot with raw sugar (desi khand) and bury it near a cremation ground.
